ARCTICMARK

✦ Genuine Canadian Diamonds

We invite you to explore
the world of Canadian
ArcticMark Diamonds.

Through its devotion to craftsmanship and design, ArcticMark has associated thousands of years of civilizations with a flair for the modern, acquiring the unique status as one of Canada's most recognizable and respected Canadian diamond brands.

❁ Diamonds in the Snow

In Canada's frozen north the snow glistens as though sprinkled with diamonds, however the real treasures lie buried deep beneath. Far below the snow and ice, the forces of nature have been at work creating some of the most fabulous diamonds the world has ever seen. Canadian Diamonds are the most significant discovery in the diamond industry in the last hundred years. ArcticMark diamonds was created to bring these exquisite diamonds to you Canadian Diamonds from the heart of Canada's North.

Arcticmark Difference

Each ArcticMark diamond is truly dedicated to delivering the diamonds that have the highest standard of craftsmanship and beauty. Each diamond is tracked from rough crystal to the final product, creating an unbroken chain. Each polished diamond is laser inscribed with the ArcticMark logo, an image of a maple leaf and a unique serial Id number to guarantee its authenticity. When a diamond bears the ArcticMark logo, you can be certain that it's an authentic Canadian diamond. Every diamond is natural, pure and ethically mined.

This is the ArcticMark purity promise.
